LATENESS AND ABSENTEES and DETAILS

If a student is late to School they need to come and sign in at the school office, then take a late note to class.

You will now be getting a txt message if your child is unexplained and you need to reply back with a reason so they don't go down as TRUANT.

There are many ways you can let the School know your child is going to be away.

It is important we have your up to date contact details so if any have changed please come in and let us know.

THIS DAY.**

We have just purchased thousands of dollars of Readers. Each reader costs between \$9.00-\$12.00. It is essential these are returned to School in Book Bags each day. We want to order new sets of Readers rather than replenish the hundreds we lose each year. Please have a look at your home for any GVS readers that haven't been returned. We will have a box in the Office with a reward for returns.

SCHOOL OFFICE HOURS

The School Office is open from 8:00am to 4:00pm Monday –Friday during the School term.

This morning we had the Official Opening for our new Basket Ball Hoops. These arrived in the holidays and were donated through The Hoops In Schools Program with NZ Basketball and Tauranga City Basketball.

We had NZ player Tom Abercrombie here at the opening, and he was welcomed by Papatuanuku and Ranginui Syndicates. This was followed by a drills and skills session with our BBall team. Such a great experience to all those involved.

A REMINDER.....

Please ensure when you drop your children off to school or pick them up you park in the correct parks.

It is not OK to park in the No Parking outside our school and then abuse staff in front of students and parents when they ask you to move.

These parks must be kept clear, in case of emergencies and for ambulances to arrive, which happens regularly at our school.

We had an incident this week and had a number of upset students who witnessed a parent swear at, and abuse a staff member. This will not be tolerated at GVS.

We are role models for our tamariki, and expect all adults within our school to act respectfully at all times.

VISIQUE

**CONCERNED ABOUT
YOUR CHILD'S PROGRESS?**

80% of a child's learning is visual,
so sometimes when they are
struggling at school it can be
related to their vision. Talk to us
at Visique Greerton, we specialise
in children's vision.

Subsidies may be available – mention this
ad and ask us for details.
